

12" Sphere Glass Shade - Opal Gloss

Product Images

Description

The 12" Sphere Glass Shade in Opal Gloss is simplistic in design. As the name suggests, the glass is shaped in a sphere and finished in a shiny opal gloss. Replace existing traditional shades with these to give a real authentic look.

The 12" Sphere Glass Shade in Opal Gloss has the following product features:

- Shade Colour: Opal Gloss.
- Material: Glass.
- Dimensions:
 - Height - 310mm.
 - Diameter - 300mm.
 - Fitter Size - 105mm (4¼").
- Suitable to be used with Table Lamps, Floor Lamps and Pendant Lights.
- ASA: Australian Standards Approved.
- Condition: Brand new in manufacturer's packaging.

**Please note: This range of glassware is either hand blown or mould-formed, therefore small detail may vary between batches.*
