

# Leeman Square LED Wall Light - Anodised Silver

## Product Images

## Description

The Leeman Square LED Wall Light - Anodised Silver is a perfect light for any staircase, hallway and the like. This recessed LED wall light offers smart styling and a sleek design. The Leeman LED Wall Light is constructed from a premier aluminium body with a frosted glass diffuser, in addition to it being pre-fitted with high efficient SMD LED light chips.

The Leeman Square LED Wall Light - Anodised Silver is available with the following options:

- No LED Driver (*Supply your own*).
- With LED Driver Pluto15 (*An additional \$24 will be added automatically*)
- With LED Driver Pluto50 (*An additional \$43 will be added automatically*).

The Leeman Square LED Wall Light - Anodised Silver has the following technical information:

- Colour: Anodised Silver.

- Constructed from Aluminium.
- Globes Specification:
  - 1.5w SMD LED Chips. *(Included)*.
  - Lumen Output - 70LM.
  - Globe Colour - 3000K Warm White.
  - CRI - >80.
  - Dimmable - No.
  - Replaceable LED - No.
- Dimensions:
  - Height - 80mm.
  - Width - 80mm.
  - Depth - 48mm.
  - Cut Out Size: 68mm x 68mm
- LED Driver Required *(Please see Driver options)*, and consider the following:
  - This is a 12v AC/DC fitting.
  - Must be wired in series, i.e. loop in and loop out.
  - The Pluto15 LED Driver can drive 1 - 8 of these fittings.
  - The Pluto50 LED Driver can drive up to 29 of these fittings.
  - We always recommend (for trouble shooting purposes), to install 1 driver per 1 fitting.
- Power Rating: 12v (240v with Driver).
- IP Rating: IP20.
- ASA: Australian Standards Approved.
- Condition: Brand new in manufacturer's packaging.
